

Primary Sports Funding forecast 2024-2025 (September 2024)

Meeting National Curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	<i>September 2024 9/10 (90%) of our Year 6 students are currently able to achieve at least 25 metres Our Junior School pupils undertake swimming lessons for 12 weeks during the summer term at Calverton Leisure Centre.</i>
What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke)	<i>(8/10) 80% of our current cohort of Y6 pupils use a range of strokes effectively. (Sept 24) (9/10) 90% is able to use front and back strokes to complete 25 metres</i>
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	<i>Rescue assessments take place in the Summer Term In July 2024 (13/13) 100% of our Y6 children could perform self-rescue. 90% of our children will probably receive a nationally-recognised qualification in this.</i>
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	<i>Yes – students take part in additional sporting activities such as water-polo. Students will take part in water activities (canoeing) as part of the annual residential trip.</i>

Key Achievements:

- ✓ All Junior School pupils have access to weekly, quality provision delivered by specialist (secondary) PE teachers and a session provided by primary specialists.
- ✓ All Junior School pupils have 12 swimming lesson in the summer term for the duration of their time in Key Stage 2. The vast majority of students far exceed National Curriculum requirements in each cohort. Additional swimming teachers support less able swimmers and enable them to meet the minimum National Curriculum requirement by the end of KS2. There are dedicated sessions for all pupils to learn about water safety and survival techniques within the swimming curriculum. This year, we have booked extra water safety sessions to be delivered in school by Nottinghamshire Schools' Swimming service.
- ✓ All students understand the importance of exercise and movement – it is now an integral part of the day. We have used Boogie Breaks to activate children in the morning or to give them physical activity during longer curriculum sessions.
- ✓ 'Minster Movers' initiative now sees a greater profile on sport and personal fitness; we are going to invest in prize incentives to support this initiative further.
- ✓ All students will have the option to take part in after-school clubs on Tuesday, Wednesday and Thursday, run by an external sports company (Excel with coach, Seb Bloom). This provision has been extended to 3 times a week to enable our choristers to participate on Wednesday when there are no choir commitments.

Academic Year 2024 / 2025	Total fund allocated £16,400		£ 16,400 in total		
Key Indicator 1: The engagement of all pupils in regular physical activity – Chief Medical officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.					
School focus with clarity on intended impact on pupils	Actions to achieve	Funding allocated	Evidence and impact		Sustainability and next steps
After School Sport activities	Additional sports coach employed to run after-school clubs for Junior School Pupils (Excel Sports Coaching)	£9000	At least 25% of children attend these clubs with often more than 50% of the school. Parents have requested increased provision.		Continue to provide after-school opportunities on a Tuesday, Wednesday and Thursday. Extend provision to Wednesdays to involve choristers. Could we open up to other schools within our catchment to enable a broader range of sports? Consider extra provision if possible: regular yoga sessions for well-being.
Independent and 'group challenges'	Potted Sports event in July 2024	£50	All children will participate in mixed-age and mixed-ability teams		Involvement of Year 12 Sports Leaders to raise profile of physical activity within the Junior School. Sports leaders keen to get involved. Could sports leaders train Junior sports leaders to encourage more active play at break times? Buy rosettes and participation badges to reward active participation.
Minster Movers Sports achievers of the week	Prizes / certificates to promote physical activity	£200	Pupils demonstrate they are working hard to develop and improve upon their own personal targets.		'Minster Movers' is now part of the celebration assembly in Minster Junior School. (Award to be extended to meet sporting virtues: determination, passion, respect, honesty, self-belief, teamwork) More incentives through use of sport-themed prizes and keep relentless focus on physical activity – use underspend funds to purchase prizes.

Introduce mini sports leaders initiative – Nathan Kirk to provide coaching and audit equipment (some purchasing of new equipment may be required)	Year 6 children to be trained to lead sports activities during lunch time	£800	Children will access a greater variety of sporting activities during their break times and learn vital life skills (team building, sportsmanship, leadership)		After first cohort trained, they will provide training in summer term for the next Year 6 group which makes the scheme sustainable
